

ASPA FLEX SERIES WEBINAR 7

The 7th webinar of the ASPA Flex series was held on Jan 17th 2021 at 5 pm.

The topic was “ Minimally invasive surgery for neonates, infants and children”

The 3 panellists were ;

1. Dr Nada Sudhakaran , Consultant paediatric surgeon and urologist ,
Kuala Lumpur, Malaysia.

Topic : MIS in neonates, infants and children

2. Dr Fauzia Khan,

Professor of Anaesthesiology, Aga University, Karachi, Pakistan

Topic: Anaesthetic concerns in MIS

3. Dr Felicia Lim,

Consultant paediatric anaesthesiologist, Kuala Lumpur.

Topic : Perioperative pain management for MIS

Moderators were Dr Usha Nair and Dr Erlinda Oracion

.

Webinar started on time and went on very smoothly without any technical difficulties.

There were quite a few questions from the participants which were answered via chat and some were answered in person by the panellists.

Session ended at 630 pm.

Please see attached document for survey results.

Thank you,

Dr Usha Nair
